1. I want to tell you I love you and I bless you. I want to tell you I love you and I bless you. I want to tell you I love you and I bless you and I give you Me. I give you all of Me and I have withheld nothing. I withhold nothing.
2. All power, glory and honor do I bestow on My chosen, those who have chosen Me; Those who have price paid and drink-offering'd themselves before Me. Prostrate at times; in death, in death, coming through death, death having seen, death having conquered, death having felt and not been afraid, coming through Me, into Me, to see Me, and be Me. I love you.
3. All conquered, all conquered, all-conquered ones come, Now, conquered at My knee, conquered by grace, love and mercy. Resplendent ones who have eaten at My table and seen Me and are Me, become Me, **now come forth into My table in Tulsa**, in Tulsa at My table. I love you. Giving Me Me, giving Me resplendence, sharing My delectables and My delicacies with those who come now from all over My globe.
4. **My ready are; for My ready be.** The ones who are ready to be, the ones who are **ready to become Me**, the ones who know there's more. The ones who know in the fiber of their fabric that there is more and they want to pay the price. They want to drink-offering themselves. They want to leadership be around that will leadership them and hold them back none, but propel them in the stratospheres of only Me, ionosphere not; far beyond and more between, penetrating all that is and was and ever will be. I love you and I give you Me.
5. **See what I am saying and ready be.** Fear not lack, fear not pain, fear not loss, fear not words of discomfort and discouragement, fear not accolades and acclamation, fear not kudos and compliments, fear not arrows and conflicts.
6. I love you and I give you Me and I walk you through the fires with coals in your mouth from off My altar (8); Coals from My heart to your heart; Coals from My heart into you men (8), your men, your man-ship, your mantle-wearing that is Me in My man-ship and My mantle-wearing. I love you and I give you Me as I arise the Mighty Many through you and others who come along side to ride, to gallop, to steeds fly with. I love you. Astro-vehicles of only Me.
7. I love you and the staid, silent ones who reject cannot, accept "I love you, I love you" anyway. I love you always. I give you Me and I gave Myself for you and I wait upon you. I wait upon your knees. I wait before you and I come and I call and I wake you during the night and I trouble you at times to come, to come to Me, to seek Me and not medicines which placate and rule Me out.

8. I love you and I give you Me and **I trouble many, stirring your waters, troubling your waters, seeking, seeking you to seek Me so that I may give Myself fully to you** so you will know what intimacy is in My quarters. Seeking My words on and about intimacy in these words, these words, these words I have given Ted and **these words which I have given to so many; So many in so many places far and remote, earth-shatteringly different than what you suppose, what you think you have figured out.** I love you.

9. Earth shattering I am now; World shattering, shattering the worlds of so many who are so placated, who so palatable think everything has to be neatly boxed, neatly tied up, presented to them in honor. Their world is shattering and is shattered. I love you.

10. World shattering I am, cataclysmic events of only Me as earth shifts the platelets (1) of only Me move at My hand; My declarations of decimations of the destroyer being decimated and My many coming forth this day. I love you.

11. Fear not Me, fear Me not, fear not, fear not the cataclysmic world-shattering events that headlines declare as truth for I am truth and I am the only truth. And I am Me and I give you Me. All power and authority I am, power and authority I have given (2). Submission-ship in only Me, raising not yourself above Me. No man is above his master, Me (3). I love you.

12. Think it not strange, think it not robbery (4). See Me in what I am saying and what I have given and what I have given so freely and given for centuries, centuries, centuries; waiting for these moments.

13. Coming into Me you are, pressing in, pressing in, press in more. Come in more. Come in more. Come into Me for the power and authority that you know is there, there inside of you, there inside of you placated not, but ballisticized, ballistically coming forth in fireworks spectacularly designed by only Me. I love you.

14. My celebrations of Me, My celebrations of **Me coming forth in fireworks of glory and hues of color of Me, of Mine, of My nationalities of every brand, every label, every shape, size and color, tongue known to man and more.** I love you.

15. As I celebrate Me, My diversity, My creation, My withhold Me not back you will, My coming forth, My mighty glory being shown in My boys, My girls, My lambs, My holy ones who prostrate themselves in forgiveness and repentance. I love you.

16. Think it not strange at how what comes forth in you, for you, through you, to you and to others for you, through you into others for Me; **My release, My release, My release of My Holy One, My seed in you coming forth, bursting forth with rays of light, beams of color, strength of only Me.**

17. Forsake Me not and fear not. Fear not, fear Me not, fear not what I am doing with you and what I do now with so many. I love you.

18. Conglomerate not, collaborate yes, convene yes, contumerate not. Love, love on each other, love see in each other's eyes as you propel, you propel and you compliment; contumerating not but complimenting and coming forth in the beauty that I have made you, that I have made you Me, Me'd, personified. I love you and I give you Me.

19. **Think it not strange the lack you have**. I am Me and I protect. I protect and I draw lines and boundaries and I sever and I connect and I reconnect.
20. I love you and I bless you and I give you Me for all is forsaken, carrying My Cross, My Cross, My Cross which I gave you that you chose. You chose to be Me. You chose to be Me on your cross and you picked up your cross and you followed Me and you died and I love you. And now all forth comes, all comes forth now in raiment of only Me. See Me in the cataclysmic beauty, caricatures unconcerned about. I love you. I love you and I give you Me. I give you Me and holiness exuberant, eliciting the Priesthood of All Believers to come forth in passionate beauty and love for only Me.
21. I love you. All comes, all comes, all is. All you have said today is true. All I give you is true. All I have given, all I have stated, My words are beauty, alive and living come forth in hues and rays of only Me. I love you.
22. **Think it not strange your lack as I recast, as I recast My piers in you so much deeper, so much deeper, so much stronger: the strength, steel of only Me**; alloys of My sinew, My blood, My water, pure water, fountains coming forth, wells of only Me dug by you and the Mighty Many who drink-offering'd are. I love you.
23. **Presidents, presidential palaces and yachts now open to My WeekWorks and what I do with My Mighty Many in My Universities that break open the schoolhood of only Me. Me teaching each other at My knee, My voice coming through their voice, My tongue/their tongue, My words/their words, Me speaking, high-diving My little, My lambs, My big, My powerful, My political traffickers once thought, now resigned to reign in only Me, My value systems**, nations coming forth in glory who robbed, who have been robbed, who still, who are stilled and dynamic not.
24. See Me in what I am saying and **fear not the nations now which come forth and the nation seekers and nation leaders who come and seek My remedies, My solutions, My words through you, hoping for My words through them.** I love you.
Release Me. Release Me more fully. **Release Me in them. Release Me and high dive every one (5).** I love you and I give you Me.
25. Gingerly, gently, genteel-ly I stand before you. I sit with you in each palace, on every plane, in every yacht, in every toothless and poverty shack and with homeless wanderers who you now touch for Me.
26. My might many: I am speaking. I am speaking. I am speaking to you. Come forth, come forth, come forth, come forth this day in timidity not; Come forth and reign in the Priesthood of All Believers, My drink-offering'd ones who through death have come, who through death have known and not be afraid, not been afraid.
27. I love you and I have given you Me and I give you Me and I give you more. I give you more. Didn't I say greater works than these you would do (6)? Now spring forth, come forth, come forth in action, come forth in timidity not, come forth in discontinuity not, come forth in continuous, contiguous forces of only Me; **Convening, collaborating, lifting, loving, touching, propelling each other**, competition none, courage all, courage-ing all, encouraging all, discouraging none; worrying not about moments and passages

and paragraphs and statements you may not understand; but coming forth in the fullness, the fullness of the Godhead bodily in My Me'd ones who Me seek, who Me-ship seek to walk on My earth in dominion subduing, subduing in love, love, love power, love bullets of only Me; Creating, creating, creating; Delivering Me, delivering My Me, delivering My love.

28. I love you **now go and grow and think it not strange any lack, any season not wanted, any season not anticipated, yea, any season unseen.**

29. I love you, I walk with you, I am you. **Before the world began I knew you. You came through Me. I paid a price for you and what you now lead.** I love you. Lead on. Lead on. Lead on. Lead, stand, arise, move forward, fashion and form of only Me; Value systems arising from Me, Me alone; My words, My heart, My blood, My pure water tainted not, putrid not, putrefying others not, but reveling in the graces that they now wander not in but roll, fly, swim and operate in. I love you.

30. I love you and I give you Me and I give you My words more and more and more and more. **Come more, please come more. Hours a day, didn't I say hours a day?** Speaking My words and fountain-ing forth what I want; **developments** and **declarations** of only Me; **Decrees** My hands have written through your words, through your hand, through typists of only Me and technology that comes to transform; to transform as you **transform the transformation process**; coming through Me for transformation; **transitioning from temporal to eternal**, visible of only Me.

31. Concrete and steel arising out of the ground on land that bears My name, proudly declaring: Hallelujah! Glory to the Lamb.

32. **Before the foundation of the world I decreed, I declared, I set forth My towers** into motion and now you roll, you roll with only Me. **Into Me see and subservient to no one else be.** I love you and I give you Me. Before the foundation of the world was, I am, I was, you are, I am, you were, you know now, you know, you know, you know.

33. Now declarate and declare and decree and fashion forth the Mighty Many in what was and is and is to come (7).

34. As the world as I know it ends not, but begins and flourishes and the Mighty Many in the Priesthood of All Believers, the Order of Melchizedek who is Me, Me, Me. Get it? Got it? Me!--reader, hearer, doubter--Me! I am Melchizedek and you are invited this day to be Me, to be Me and walk in all the power and authority that I am and that I have given and that I have placed in every believer who has accepted My blood, My birth, My death, My resurrection.

35. And I live and I speak and I cause, I compel, I invite you to come into Me and release Me for all I am, all that you are, that I am, inside you; and all that you can be, all that I have provisioned already for you to walk in: the abundance, doing that which I have foreordained. I love you.

36. Walk forth in Me in individuality, DNA of only Me and DNA of only you; Protecting My DNA and seeing what I do, how I do it, and coming forth connecting the tissues and tendons of only Me. I love you. I bless you and I give you Me this day. **Walk forth with**

joy and laughter, jokes yes, even of me. Kid, jest, play and be not so serious, knowing what I have placed beside you, inside you and before your eyes, behind your eyes, and releasing now in My Mighty Many. I love you. Good day.
